Join us for a piano Concert: "A PIANO FOR THE ANGELS"
by Italian pianist & music therapist Mro PAOLO CURATOLO
on Sunday afternoon, the 1st of June 2025 (starts at 16:00)

In the FIRST PART of the program are Timeless piano pieces by the most famous Composers
W. A. MOZART

L. van BEETHOVEN

-SONATA OP.13 N.8 (PATHETIC)

F. CHOPIN

-Waltz Op. 69 n.1

-Étude op.10 n.1

-Polonica op.26 in C sharp minor

G. ROSSINI / F. LISZT

-Neapolitan Tarantella

The SECOND PART of the program is dedicated to Unpublished compositions by Paolo Curatolo. Through the sequence of music and images this performance is dedicated not only to children with different abilities that the pianist & music therapist Mro Paolo Curatolo has met over the years, but to all children. To the carousel in which our Western children dance, to children who have nothing, to those who dream of a better future, to those who lived a nightmare, to those who had social redemption, with the last piece. The common thread is the Music that heals the wounds, which resonates within all of us like an echo of a forgotten world, giving us what is good for us!
